

Food Chemistry Proficiency Scheme 2015

A cooperation between bioTRADING & The American Proficiency Institute

	Round 1	Round 2	Round 3
Ship Date	12 Jan 2015	4 May 2015	24 Aug 2015
Reporting Deadline	13 Feb 2015	5 Jun 2015	25 Sept 2015

Sample	Description	Round 1	Round 2	Round 3
750	Cereal Chemistry (Dry cereal)			
751	Meat Chemistry (Meat paste, moisture 30 – 80 %)			
752	Dairy Chemistry (Dairy product)			
755	Cereal Chemistry - Additional 150 g			
756	Meat Chemistry - Additional 150 g			
757	Dairy Chemistry - Additional 150 g			

Contact details

We invite you to participate in 2015. To participate in 2015, please fill in your details and complete the scheme above. You can send your completed scheme to bioTRADING Benelux B.V. See contact details below.

Company name : _____
 Contact person: _____
 Address: _____
 Post/Zip code: _____
 Town: _____
 Country: _____
 Telephone: _____
 Fax: _____

 Purchase Order no.: _____

Program descriptions

A cooperation between bioTRADING & The American Proficiency Institute

Sample	Description	Target organism(s)	Weight
750	Cereal Chemistry (Two unique samples; typical matrices include ground breakfast or infant cereal)	Ash, Calcium, Copper, Dietary Fiber, Total Fat, Folic Acid, Iron, Magnesium, Moisture, Niacin, Phosphorus, Potassium, Protein, Riboflavin, Sodium, Sugars, Thiamin, Vitamins A, B6, C, D, Zinc	150 gram
751	Meat Chemistry (Two unique samples; typical matrices include dried re-hydrated beef, chicken or turkey)	Ash, Calcium, Cholesterol, Fat (Total, saturated, and/or trans fatty acids), Iron, Magnesium, Moisture, Potassium, Protein, Salt, Sodium	150 gram
752	Dairy Chemistry (Two unique samples; typical matrices include dried milk, cheese or buttermilk powders)	Ash, Calcium, Cholesterol, Dietary Fiber, Fat (Total, saturated, and/or trans fatty acids), Iron, Magnesium, Moisture, Potassium, Protein, Salt Sodium, Sugars, Vitamin A	150 gram
755	Cereal Chemistry	Additional sample volume	150 gram
756	Meat Chemistry	Additional sample volume	150 gram
757	Dairy Chemistry	Additional sample volume	150 gram

The American Proficiency Institute - Features
